7. Your Password / SecureCode and PAM (Personal Assurance Message)

- a. In order to use the Service, you must provide certain information to us that allow us to validate your identity and verify that you are the authorized owner of the card. The information that you provide to us will be validated against your information that we already have on file.
- b. When you register for the Service, you will need to designate a 3D Secure password ("Password") and a personal assurance message ("PAM").
- c. We use your Password to identify you. Clause 11 sets out your liabilities for everything that is done with your Password
- d. You should use your PAM to identify us.
- e. You must keep your Password and your PAM secret and secure at all times and take steps to prevent unauthorised use of your Password and your PAM.
- f. You agree to follow the guidance and any security recommendation or procedures issued by us from time to time including those provided on-line. Your failure to do so will constitute a breach of these Terms and will be deemed as negligence on your part.
- g. If you suspect or know that someone else is using your Password and/or PAM, you must notify us immediately. You must also inform us immediately of any unauthorized use of your Password or PAM, or any other breach of security.
- h. We may request you to change your Password and/or PAM for security or administrative reasons. In this event, we will notify you of such request by telephone and / or in writing. i) We shall not be liable for any transaction authenticated by the Password, PAM or other verification information relating to the Service, except as otherwise provided by law.

8. Authentication

- a. By registering for the Service, you authorise us and the use of the Service to authenticate your identity, your cards and/or the use of your cards to make payment for the transactions concerned.
- b. When engaging in an online transaction or other transactions for which the Service is used, you may be required to enter your 3D Secure Password before the merchant accepts your cards in payment for the transactions. If you are unable to provide your 3D Secure Password or if the authentication through the Service fails, the merchant may not accept your cards in payment for the transactions concerned. We cannot be held liable for any merchant's refusal to accept your cards for the said payment, whatever the reasons shall be.
- c. Any online purchase made with your UAB Card will be declined if you have not registered for our 3D Secure service.

9. Accuracy of information

- a. If there is any inconsistency between our internal records and information relating to your cards and the related card accounts or your use of the Service, our internal records will prevail in the absence of evidence to the contrary.

10. Exclusion of warranties and limitation of our liability

- a. We give no warranties or conditions (whether express, implied, statutory or otherwise) in relation to the Service or the identity of the merchant, and exclude all implied warranties and conditions including any warranties and conditions of merchantability, delivery, fitness for a particular purpose, good title and non-infringement;
- b. We will not be liable to you for any incidental, consequential, indirect damages (including loss of profits and business interruption), or special or exemplary damages under any circumstances;
- c. Due to the nature of the Service, we will not be responsible for any loss of or damage to your data, software and computer, telecommunications or other equipment caused by you using the Service unless such loss or damage is directly and solely caused by our negligence or deliberate default;
- d. We will not be held liable to you or any third party for any modification, enhancement, suspension or discontinuance of the Service, whether within or outside our control

11. Your liability [for unauthorised transactions]

- a. If you have acted negligently or fraudulently, you are liable for all claims, losses and consequences arising from or in connection with your use of the Service.
