

How We Comply?

United Arab Bank is dedicated to full compliance with FATCA requirements. Here are the steps we take:

1. **Customer Identification:** We identify and classify our customers according to FATCA criteria during the account opening process and periodically thereafter.
2. **Documentation Collection:** Customers must submit FATCA-related forms (e.g., W-9, W-8BEN) to confirm their U.S. tax residency status.
3. **Reporting:** We report relevant account information to the local tax authority, which thereafter shares it with Internal Revenue Services (IRS).
4. **Due Diligence:** Regular audits and checks are conducted to ensure ongoing compliance with FATCA regulations.

2- Failure to Provide Information or Documentation:

Individuals who do not provide the necessary documentation, such as self-certification, which may be on an IRS Form W-8 or W-9 may incur fines up to AED 20,000.

Additional Consequences

- **Account Restrictions or Closure:** Financial institutions may also freeze or close non-compliant accounts.
