United Arab Bank participates in the 25th National Career Exhibition

16 October 2023: In line with its strategy to attract Emirati talent and support Emiratization initiatives, United Arab Bank announced its participation in the National Career Exhibition in its 25th session, which continues from October 17th to 19th 2023 at the Expo Center Sharjah.

This participation comes in line with the bank's strategy and commitment to attract and qualify Emirati talent and provide job and training opportunities for young Emirati graduates and job seekers.

During this event, the bank will present a range of available job opportunities and will provide immediate employment for Emirati talents who meet the requirements and conditions required for the job.

Commenting on the Bank's participation, Shirish Bhide, the Bank's CEO, stated:

"Investing in human capital management, capacity building, and skill development among Emirati youth are among the priorities that United Arab Bank is keen on in implementing the directives of the wise leadership to achieve the bank's goals in attracting Emirati young talents and to develop their talents and potential."

He added, "We are pleased to participate in the National Career Exhibition, which provides us with a platform that enables us to meet the qualified Emirati talents."

On her part, Hind Al-Attar, Chief Human Capital Officer at United Arab Bank, said:

"The nationalization of jobs is a top priority for United Arab Bank, and our participation in such events supports the bank's strategy of attracting Emirati talent. We are confident that through our participation in the National Career Exhibition, we will meet many Emirati graduates interested in building a successful career in the banking sector."

She pointed out that those who join the bank will have a job opportunity in an advanced environment and training opportunities that will help develop them and refine their talents.

She added: "We understand the challenges that exist when starting a career path. Therefore, we launched our Emiratization programme, 'Tomouh', which is a program dedicated to new Emirati graduates and aims to support young national talents, advance them and help them achieve their ambitions, while the program provides workshops and courses." Training and on-the-job training opportunities in addition to technical development and refining leadership
