

HOW TO LOCATE A UAB BRANCH OR ATM NEAR YOU?

At United Arab Bank, accessibility is part of our promise to make banking inclusive for everyone. We continuously enhance our online tools and branch services to ensure that **People of Determination** can access financial services independently and confidently

Visit the UAB Website

1. Open your browser and go to www.uab.ae.
2. On the homepage, look for the option "**Locate Us**" or "**Branches & ATMs.**"
3. Click on it to open the **branch and ATM locator page**.

Accessibility Tip:

- Buttons and links are clearly labeled, and the text is easy to read with high contrast

Visit the UAB Mobile App

You can also find nearby branches and ATMs using the UAB Mobile App:

1. Open the app and Login.
2. Tap "**My Services.**"
3. View nearby branches on the map or search by location.

Accessibility Tip:

The app supports **voice guidance** and **screen readers** for independent navigation.

Find Accessible Branches

Some UAB branches are specially equipped to serve **People of Determination** with:

- **Wheelchair-accessible entrances and counters**
- **Dedicated service desks**
- **Staff assistance upon request**

Use the Search or Map Feature

Once you open the locator page, you can:

- Type your **city or area name** in the search box, or
- Allow the site to use your **current location** to find the nearest branch or ATM.

The results will show:

- **Branch names and addresses**
- **Opening hours**
- **Services available** (such as ATM, cash deposit, or customer service)

Accessibility Tip:

- The **map view** is supported with **zoom controls** and **text-based location lists** for easier understanding.
- For users with visual challenges, map markers include **clear icons** and **readable labels**.
