REPORT ON REVIEW OF INTERIM CONDENSED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF UNITED ARAB BANK P.J.S.C

Introduction

We have reviewed the accompanying condensed interim financial statements of United Arab Bank P.J.S.C. (the "Bank"), which comprise the interim statement of financial position as at 30 June 2022 and the related interim statements of income and comprehensive income for the three months and six months period then ended, statements of cash flows and changes in equity for the six month period then ended and explanatory notes. Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Financial Reporting Standard IAS 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with IAS 34.

1 LEGAL STATUS AND ACTIVITIES

United Arab Bank P.J.S.C. (the “Bank”) was incorporated in 1975 as a Private Joint Stock Company in the Emirate of Sharjah. The legal form of the Bank was converted to a public company with limited liability in 1982 by a decree of His Highness the Ruler of Sharjah and has been registered as a Public Joint Stock Company under the UAE Commercial Companies Law No. (8) of 1984 (as amended). The Bank’s registered office is located in the Emirate of Sharjah, United Arab Emirates. The address of the registered office is PO Box 25022, Sharjah, United Arab Emirates.

The Bank carries out the business of commercial banking through its offices and branches in the United Arab Emirates. The Bank also carries out Islamic banking operations through Islamic banking windows at selected branches.

The financial statements of the Bank have been prepared in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), interpretations issued by International Financial Reporting Interpretations Committee (IFRIC) and applicable requirements of laws of the United Arab Emirates. Federal Decree-Law No. 26 of 2020 which amends certain provisions of Federal Law No. 2 of 2015 on Commercial Companies was issued on 20 September 2021 and the amendments came into effect on 2 January 2022. The Bank is in the process of reviewing the new provisions and will ensure compliance with the applicable amendments.

2 CHANGES IN ACCOUNTING POLICIES, ESTIMATES AND JUDGMENTS

2.1 Changes in accounting policies

The accounting policies adopted in the preparation of the condensed interim financial information are consistent with those followed in the preparation of the Bank’s annual financial information for the year ended 31 December 2021, except for the adoption of new standards effective as of 1 January 2022. The Bank has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

Standards, amendments and interpretations that are effective for the Bank’s accounting period beginning on 1 January 2022

The Bank has consistently applied the accounting policies as applied in the annual financial statements for the year ended 31 December 2021, except for effect of the Inter Bank Offer Rate (“IBOR”) transition as mentioned below.

The Bank’s financial risk management objectives and policies are consistent with those disclosed in the financial statements for the year ended 31 December 2021.

The following amendments to existing standards have been applied by the Bank in preparation of these interim condensed financial statements. The adoption of the below did not result in changes to previously reported net profit or equity of the Bank.

Description	Effective from
Interest Rate Benchmark Reform - Phase 2 (Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16)	1 January 2022

Standard Issued but not yet Effective

IFRS 17 Insurance Contracts is effective from 1 January 2023. The Bank is currently evaluating the impact of this new standard. The Bank will adopt this new standard as applicable on the effective date.

Interest Rate Benchmark Reform - Phase 2 amendments

Effective from 1 January 2022, Interest Rate Benchmark Reform - Phase 2 amendments address issues that might affect financial reporting as a result of the reform of an interest rate benchmark, including the effects of changes to contractual cash flows or hedging relationships arising from the replacement of an interest rate benchmark with an alternative benchmark rate. The amendments provide practical relief from certain requirements in IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16 relating to changes in the basis for determining contractual cash flows of financial assets, financial liabilities and lease liabilities and hedge accounting.

2.1 Changes in accounting policies (continued)

Interest Rate Benchmark Reform - Phase 2 amendments (continued)

The amendments require an entity to account for a change in the basis for determining the contractual cash flows of a financial asset or financial liability that is required by interest rate benchmark reform by updating the effective interest rate of the financial asset or financial liability. In addition, it provides certain exceptions to hedge accounting requirements.

The Bank is in discussion with counterparties in relation to exposure to non-derivative financial assets and liabilities linked to Inter Bank Offered Rate maturing beyond the year 2022. Management believes that the amendments are not expected to have a material on the Bank's condensed interim financial information.

There are no other applicable new standards and amendments to published standards or IFRS IC interpretations that have been issued but are not effective for the first time for the Bank's financial year beginning on 1 January 2022 that would be expected to have a material impact on the Bank's financial statements.

2.2 Key accounting estimates and judgments

The preparation of the condensed interim financial information requires management to make estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty, and actual results may therefore differ resulting in future changes in these estimates. In preparing this condensed interim financial information, significant judgments made by management in applying the Bank's accounting policies and the key sources of estimation and uncertainty were the same as those that applied to the audited financial statements as at and for the year ended 31 December 2021.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 Basis of preparation

The condensed interim financial information of the Bank has been prepared in accordance with the International Financial Reporting Standards ("IFRS"), International Accounting Standard (IAS) 34: Interim Financial Reporting as issued by International Accounting Standard Board (IASB).

The accounting policies applied by the Bank in the preparation of the condensed interim financial information are consistent with those applied by the Bank in the annual financial statements for the year ended 31 December 2021, except for changes in accounting policies explained in Note 2.1.

The condensed interim financial information does not include all the information and disclosures required in the annual financial statements prepared in accordance with IFRS and should be read in conjunction with the Bank's audited financial statements as at and for the year ended 31 December 2021. In addition, results for the six months period ended 30 June 2022 are not necessarily indicative of the results that may be expected for the full financial year ending 31 December 2022.

In preparing this condensed interim financial information, significant judgments made by the management in applying the Bank's accounting policies and the key sources of estimation were the same as those that were applied to the financial statements as at and for the year ended 31 December 2021 as explained in Note 2.2.

14 SEGMENTAL INFORMATION

For the purposes of reporting to the chief operating decision makers, the Bank is organised into two segments:

Wholesale banking	-	principally handling loans and other credit facilities and deposit and current accounts for corporate and institutional customers. This segment also includes Financial Markets which is principally involved in providing money market, trading and treasury services, as well as the management of the Bank's funding operations
Retail banking	-	principally handling individual customers' deposits, and providing consumer type loans, overdrafts, credit card facilities and funds transfer facilities as well as Islamic banking services

Transactions between segments are conducted at estimated market rates on an arm's length basis. Interest is charged / credited to business segments based on a pool rate which approximates the marginal cost of funds.

16 FAIR VALUES OF FINANCIAL INSTRUMENTS

The Bank uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - quoted (unadjusted) prices in active markets for identical assets or liabilities;
- Level 2 - other techniques for which all inputs have a significant effect on the recorded fair value that are observable, either directly or indirectly; and
- Level 3 - techniques that use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

Financial instruments recorded at fair value

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:

16 FAIR VALUES OF FINANCIAL INSTRUMENTS (continued)

Financial instruments not recorded at fair value

The fair values of financial instruments not recorded at fair value includes cash and balances with the UAE Central Bank, due from other banks, loans and advances, investments held at amortised cost, other assets (excluding derivative assets), due to banks, customer deposits and other liabilities (excluding derivative liabilities). Derivative assets and liabilities are categorised as level two based on market observable inputs. The fair value of financial instruments not recorded at fair value are not materially different to their carrying values.

The fair value of the quoted debt instruments at amortised cost as at 30 June 2022 amounted to AED 460,378 thousand (31 December 2021: AED 111,176 thousand). The fair value determination of the quoted debt instruments will fall under level 1 category wherein fair value is determined based on inputs that are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
